

YOUR RESPONSE MATTERS

Every representation submitted during the consultation becomes part of the evidence considered by the independent Planning Inspector during the Examination in Public.

Need help writing your response?

SHAPE can help you respond:

How the consultation works
Understand the process and what happens next.

The key planning issues
A plain English summary of the main concerns.

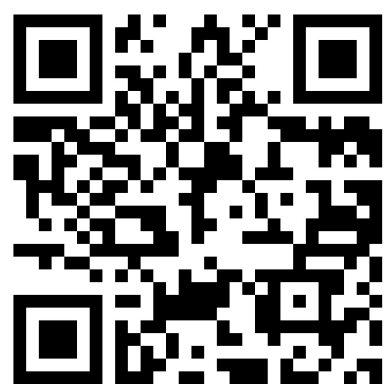

How to complete the response form
Step-by-step guidance to help you respond correctly.

Evidence supporting residents' concerns
Access the evidence and research behind our concerns.
