

SHAPE

South Stratford Housing & Planning for Everyone

2,727 NEW HOMES

proposed for South Stratford
under the South Warwickshire Local Plan

Trinity Mead

Proposed STR.2

AROUND **FOUR TIMES** THE SIZE OF TRINITY MEAD

**PUBLIC CONSULTATION
CLOSES 8 SEPTEMBER 2026**

This is your **LAST** opportunity to influence the South Warwickshire Local Plan before it is examined by an independent Planning Inspector.

WHY RESIDENTS ARE CONCERNED

ROADS & TRAFFIC

Traffic is expected to increase across South Stratford and could affect journeys throughout the town. SHAPE believes the current transport proposals fall far short of what is required.

LOSS OF GREEN SPACE

Under the proposal, the dog walking fields and associated woodland south of Trinity Way would be built over.

SCHOOLS & HEALTHCARE

The plan lacks clarity on how new infrastructure will be funded and delivered to meet the needs of so many new homes.

COMMUNITY VOICE

Despite many residents being unaware of earlier consultation stages, our councillors have voted the Plan through to the next stage.

SHAPE CAN HELP YOU RESPOND

☒ Plain English summaries

☒ Step-by-step guide to responding

☒ Independent evidence reviews
